Notes From Cyber Bulwark :

The website is working fine for now but there are multiple plugins that require some updates in order to avoid the risks of getting your website hacked.

Then we can further work on image optimization, database optimization, etc to further increase the performance of the website.

The **Cyber Bulwark** team will keep you posted regarding all the updates & will always be available for any kind of technical support via the Cyber Bulwark's Portal.

Until, Next Time.

Take Care

Regards,

Support Team at **Cyber Bulwark**
